*Subject to proper installation and maintenance. While all care is taken, product images may vary in colour due to possible printing process variations. Images are to be used as a guide only to give an idea of the colour and nuances of the pattern, but are not fully representative of the variations among the planks (which reflects the natural product which inspired the design). For a representative view of the surface structure and variations within the design, take a look at the big samples on display and ask your retailer for more advice.

Polaris

The versatile vinyl plank range Polaris takes the look, feel and design of natural timber floors and adds a few extra touches. It is durable, easy to maintain and water resistant[^]. The exquisite colour range provides endless options for a variety of interiors, including Australian species decors for a traditional look without the maintenance.
